

## ICAR-AINP ON SAP VOLUNTARY CENTRE, KOLAHAPUR

### Research Papers

1. Pradnya B Mane and Pandurang B. Mohite. 2015. Efficacy of Newer Molecules of Insecticides against White grub, *Leucopholis lepidophora* infesting Sugarcane in Western Maharashtra. Journal of Global Biosciences. 4(5) :2431-2436
2. S. Bharathi and P.B. Mohite .2015. Utilization of Entomopathogenic Nematode against White grub, *Leucopholis lepidophora* (Blanchard) infesting Sugarcane. Journal of Global Biosciences. 4(5) :2437-2440
3. . Pradnya B Mane and Pandurang B. Mohite. 2015. Pathogenicity of Entomopathogenic fungi against White grub, *Leucopholis lepidophora* (Blanchard) infesting Sugarcane under Pot Culture Experiment. International Journal of Plant Protection. 8 (5) :41-44.
4. Balakrishna Rathour, Pandurang B. Mohite and Rahul B. Gite. 2015. Efficacy of of Entomopathogenic Nematode against third inster of White grub, *Phyllognathus Dionysius* .Asian Journal of Natural and Applied Sciences. 2 (8) : 131-137
5. Rahul B. Gite , Pandurang B. Mohite and Balakrishna Rathour. 2015. Studies on Seasonal Incidence of major White grub species in Kolhapur District. Asian Journal of Natural and Applied Sciences. 2 (8) : 138- 145.
6. S. Bharathi and P.B. Mohite .2015. Biocontrol Potential of Entomopathogenic Nematodes , *Heterorhabditis* and *Steinernema* against second instar grub of White grub, *Leucopholis lepidophora* (Blanchard). International Journal of Science and Research. 4 (5) :908-909.
7. Balakrishna Rathour, Pandurang B. Mohite and Rahul B. Gite. 2015. Bio Efficacy of of Entomopathogenic Nematode, *Steinernema carpocapsae* against third inster of White grub, *Phyllognathus dionysius* under laboratory condition. Journal of Global Biosciences. 4(8): 3165-3170.
8. Sunita Supekar and Pandurang Mohite. 2015 Utilization of Entomopathogenic Nematode against White grub, *Holotricha serrata* infesting Sugarcane. Journal of Global Biosciences. 4(8): 3178-3181
9. Balakrishna Rathour, Pandurang B. Mohite and Rahul B. Gite. 2015. BioEfficacy of Entomopathogenic Nematode, , *Heterorhabditis indica* against White grub, *Phyllognathus dionysius* under laboratory condition. International Journal of Science and Research. 4 (12):1278-1282.
10. Rahul B. Gite , Pandurang B. Mohite and Balakrishna Rathour. 2015. Studies on Distribution of White grub species in Western Maharashtra. International Journal of Science and Research. 4 (12):1270-1272
11. Sunita Supekar and Pandurang Mohite. 2015 Biocontrol Potential of Entomopathogenic Nematodes , *Heterorhabditis* and *Steinernema* against second instar grub of White grub, *Holotricha serrata* infesting Sugarcane. International Journal of Science and Research. (4 (12):1267-1269.
