Technological Manual: (Total=2)

1. Technology Manual – Technology for *in vivo* Mass Multiplication of Entomopathogenic Nematodes (EPN) – *Heterorhabditis indica* and Application Methods for Biological Control of White Grubs, Cutworm, Termite etc. Developed by Foundation for Agricultural Resources Management and Environmental Remediation (FARMER) in collaboration with Division of Nematology, Indian Agricultural Research Institute (IARI), Supported by Department of Science and Technology (DST), Ministry of Science and Technology, Government of India, Prepared by Jagpal Singh FARMER & Dr. Sharad Mohan, Division of Nematology, IARI, Edited by Dr. Uma Rao, Division of Nematology, IARI, Assisted by Riazuddin, Swati Choudhary & Sumit Pratap Singh, FARMER and Akanksha Upadhyay, IARI. (2015).
2. Technology Manual – Technology manual of “Automation Process for *in vivo* Mass Multiplication of Entomopathogenic Nematode (EPN)” Developed by Foundation for Agricultural Resources Management and Environmental Remediation (FARMER) in collaboration with Division of Nematology, Indian Agricultural Research Institute (IARI), Supported by Department of Science and Technology (DST), Ministry of Science and Technology, Government of India, Prepared by Jagpal Singh, Riazuddin, Rinni Sharawat, **Seema Rani**, Manish Kumar Sharma and Edited by Dr. T.P. Rajendran & Dr. Vishal Singh Somvanshi (2021).
